SADDLEBACK COLLEGE

Next Step

SC will cost you on average about $552 a year in student fees. At a CSU, it’ll be five times more! What about a UC? That’s 10 times more!

At SC you will be getting a high quality general education at a fraction of the cost of CSU and UC.

We’ll help you find the money. Financial aid is available. Friendly SC staff will help you through the financial aid application process.

It’s Cheap! Good Value!
