FOCUS ON SUCCESS

IVC’s Foundations:
Writing Center, Honors Program, High Transfer Rate

Student Success Task Force Recommendations
Final Report Due March 2012

Community College League of California’s “20/20 Vision for Student Success”
Teaching and Learning:

To facilitate student success by developing programs which prepare students for academic transfer, degree and career technical certificate completion.
Intensive Student Support:

To provide exemplary instructional and student support services and infrastructure focused on student success.
Leadership & Accountability:

To promote institutional effectiveness and student success based on a college culture of transparent and responsive leadership, collegial dialogue, and accountability.
GOAL 4

Finance and Resource Development:

To enhance resources through economic and educational partnerships that ensure student success.
• Orientation
• Assessment
• Registration
• Counseling
• Student Education Plan (SEP)
Provides:
