“Why do I need life insurance?”

Life is full of pleasant surprises and, at the same time, life holds uncertainties. It's easier to plan for happy events you know will occur, and more difficult to plan for the unexpected--such as a death.

If you were no longer there to help support your family, how would they be able to...

- ✓ Pay off loans--credit cards, mortgage, and auto?
- ✓ Maintain their standard of living--utilities, food, clothing, and personal expenses?
- ✓ Provide for your children's future--tuition and weddings?
- ✓ Pay your final expenses--medical care, burial, estate settlement, and inheritance taxes?

A sufficient amount of life insurance can help your family financially recover from your loss during a stressful time.

“I already have life insurance--why do I need more?”

On average, households saying they need more insurance own enough life insurance to replace their income for 2.8 years, but thought they should have enough to cover six years of income. Twelve percent of households would immediately have trouble meeting everyday living expenses, and another 15 percent would have difficulty keeping up with expenses after several months.¹

You may be underinsured if your salary has increased since you last purchased insurance. Plus, when you consider new family responsibilities and inflation, the life insurance coverage you have now may not offer enough protection for your family.

“How can I help protect my loved ones?”

Buy life insurance at work. Your employer offers you the opportunity to purchase Optional Term Life Insurance issued by The Prudential Insurance Company of America.

As millions of Americans have discovered, insurance at group rates from Prudential is a smart choice.

"What does group insurance offer my family?"

You get attractive premiums for yourself, your spouse, and each of your children. Plus, you'll get the special features mentioned below.

Accelerated Benefit Option - If terminally ill, you can get a partial payment of your group term life insurance benefit. You can use this payment as you see fit. In the event of your death, your beneficiary will receive a benefit payout which has been reduced by the amount you receive.

Prudential's Alliance Account[®] - This settlement option is a convenient way for beneficiaries to manage their benefit payout during a stressful time. Once a claim is approved, we establish an interest-bearing Alliance Account in the beneficiary's name. Beneficiaries can leave the money in the account to earn continuous interest, withdraw the entire amount immediately, or write drafts ("checks") against the balance.

Waiver of Premium - Payment of your premium can be waived if you meet all these conditions: 1) you are less than 60 years old when your disability begins, 2) you are totally disabled and unable to work for at least 6 continuous months, and 3) you continue to be totally disabled. The Waiver of Premium Benefit terminates at age 70. This provision may vary by state.

Conversion to Individual Insurance Coverage - Upon termination of employment, you may convert your coverage to a Prudential individual life insurance policy, without having to provide evidence of good health.

Portability of Group Insurance Coverage - Upon termination of employment, you may continue a certain level of your employee and dependent coverage, without having to provide evidence of good health.

"How much life insurance is enough?"

The right amount of insurance can help your family. It helps replace your income for a number of years to maintain their standard of living and pay for major financial obligations, such as home mortgage and college tuition.

The Consumer Federation of America (CFA, 1997) **recommends 6 to 8 times your income** for a married couple with children. While rules of thumb may be helpful, they do not take each individual's personal situation into consideration. This worksheet provides a simple method to estimate the amount of life insurance you may need.

Income Needs

- 1. Your annual income.** (What your family would need if you die today.) Enter a number that's between 60–70% of your total income. **1. \$**

"Who can answer my questions?"

Here are the answers to some common questions regarding these insurance coverages. **For additional information**, contact your Human Resources Department or Benefits Administrator.

"Does this plan pay Optional Term Life benefits in addition to my basic plan?"

Yes, this plan pays in addition to any Basic Term Life Insurance coverage offered by your employer.

"When can I enroll for life insurance coverage?"

The easiest way to enroll and guarantee a certain level of coverage is to sign up when first eligible. If you enroll at any other time or for more than the guaranteed coverage amount, you will need to provide evidence of good health satisfactory to Prudential.

"Can I drop this life insurance coverage at any time?"

Yes, subject to your employer's administrative policies.

"What is the difference between a primary and contingent beneficiary?"

Your primary beneficiary is the person you designate to receive your life insurance benefit when you die. You can name more than one primary beneficiary and assign a different percentage of your benefit to each, if you like. If you name a contingent beneficiary, that person will receive the life insurance benefit when you die only if all primary beneficiaries are not living at the time of your death. You can name more than one contingent beneficiary and assign different percentages to them, too.

"What if I want to change my beneficiary?"

Beneficiary Change Forms and related information may be obtained by contacting your Human Resources Department or Benefits Administrator.

"When is a medical exam required and who pays for it?"

A medical exam may be required if you elect more coverage than the guaranteed amount. We will pay the cost of any required medical exam when you are first eligible. Late entrants must pay for medical exams. Generally, medical exams are conducted by an examiner who is chosen by Prudential.

"When will coverage go into effect?"

For your coverage to become effective, you must be actively at work during the enrollment period and on the effective date of your coverage. If you apply for an amount that requires evidence of good health, you must be actively at work on the date of approval for the amount requiring evidence of good health. If your dependents are confined for medical treatment at home or elsewhere, their coverage will begin when confinement ends. Refer to the Booklet-Certificate for details.

"Can I increase my coverage in the future?"

Yes, you can increase your coverage up to your plan's maximum coverage amount. However, evidence of good health satisfactory to Prudential will be required as previously noted.

"How can I enroll?"

To enroll, simply complete the Enrollment Form with Beneficiary Designations. Then, return it as instructed. After the date your group insurance becomes effective, you will receive a Booklet-Certificate that details your plan provisions.

Implementation of the insurance plan(s) will depend upon having a specific percentage of all eligible employees enrolling in the plan(s). In the event the minimum participation level is not met, Prudential retains the right to re-evaluate the rates, require a re-enrollment, reduce the rate guarantee period, or terminate coverage.

Receipt of accelerated death benefits may affect eligibility for public assistance programs and may be taxable. There is no administrative fee to accelerate death benefits. The accelerated amount is not discounted.
