SOCCCD Employees –

As Orange County moves into the Orange Tier and more employees have been vaccinated, we are seeing more employees returning to work on site. As a gentle but firm reminder, **face masks are still required to be worn whenever an employee is on District property**. The face mask or covering must cover your nose and mouth securely. If an employee prefers to wear a face covering referred to as a **head and neck gator**, this type of face covering is only permissible if it is made of 2-ply material.

The face covering policy will continue to be strictly enforced in order to keep our work sites as safe as possible. Please let your supervisor know if you become aware of an employee who is in non-compliance with the face covering requirement. We all have a responsibility to ensure the safety of our entire SOCCCD family.

Thank you for your cooperation and your assistance in keeping us as safe as possible!

Cindy
