Greetings SOCCCD faculty and staff:

The highly anticipated announcement from Governor Newsom was made today indicating safety measures that are in line with CDC guidelines. These measures allow most activities and venues to be open and do not require social distancing and mask coverings for those who are fully vaccinated.

Please see a link below that outlines the highlights of Governor Newsom's announcement.

Additionally, we will await any varying or additional changes from Cal/OSHA, which are expected to be released later this week as we prepare to edit the SOCCCD *Return to Work Guidelines* to reflect local, state, and federal changes to COVID-19 safety measures.

Please expect to receive an additional email next week outlining changes to SOCCCD guidelines and information about what to expect when returning to work onsite at any of our District locations.

If you have any questions, please refer to your supervisor or COVID-19 resource page on the district website.
