See Attachment B
B. Submit manufacturer's descriptive literature and installation instructions.

C. Submit operating and maintenance manuals.

D. Submit samples of products and materials where options of color, finish, pattern or texture exist.

E. Proposed Substitute Products (as applicable): Submit complete shop drawings and structural calculations (signed and stamped by a California licensed Structural Engineer in charge of design) for architectural/engineering review, approval and submittal to the Division of the State Architect.

1.8 Quality Assurance

A. Permanent Grandstand shall be under warranty for a period of one (1) year beginning at Date of Substantial Completion for Projects installed by Manufacturer. The warranty will provide for repair or replacement of failed components due to defect in materials and workmanship of installation for the specified period. This warranty excludes any other defects resulting from abnormal use in service, vandalism, weathering, oxidation, accidental or intentional damage or any occurrences beyond Manufacturer's control.

PART 2 - Products

2.1 Manufacturers

A. Products of the following manufacturer form the basis of design and standard of quality:

1. Southern Bleacher Company: Please contact California representative Joe Hoy at (949) 812-4901

B. Alternate manufacturers seeking to be pre-approved must submit substitution request with side by side comparison of the proposed bleachers and the specified bleachers (with contact names/numbers) to the Owner by the date specified in the bid documents.

C. Manufacturers bidding the project must furnish their own submittals and calculations for review and approval by DSA.

D. No time extensions to the schedule will be granted awaiting DSA approval of submittals.

2.2 Permanent Steel Grandstand

A. Product Description

1. Mitered Horizontal Beam Design: Gross seating capacity per drawings.

2. Vertical columns vary on center laterally, and as required on center front to back.

3. Horizontal beams are wide flange beams.

4. Traverse bays are free of cross-bracing the total length of the grandstand.

5. Stringers are wide flange with steel angle rise and depth fabrication and are placed 6 feet on center.

6. Front Walkway:
   a. Width: 6’ 0”
   b. Elevated: 5’ 0” above benchmark.
