1-1 Questions and Answers

Q1: As per point 11 on page 11 of the pdf, Cognizant is supposed to review and comment on any proposed modifications to the attached draft Agreement(s). But on the same page, it is mentioned that "The sample standard agreement (Exhibit B is not be included with the Firm's submittal." Could you please confirm if Cognizant needs to get all 3 Exhibits reviewed by our Legal team and provide redline version along with the response.

A1: The responding firm should review the agreement and provide a simple summary of any proposed changes. We are not requesting a red-lined version of the contract at the time of the response to the Bid.

Q2: Please share word document from for all Exhibits in case our Legal team needs to review it and provide redline version.

A2: A Word document will be provided to the successful bidder(s) at the time final negotiations take place.

Q3: The RFP doc states that interviews schedule is between June 16-20. Are we expected to submit resource profiles who will be interviewed June 16-20 but the actual work will start from August 1?

A3: The intent behind the interview is to review the bid submission, and allow the potential vendor to provide a short presentation, and answer additional questions (the questions will be provided in advance).

Q4: Considering we are 2 months away from the start date, can we submit representative profiles for now and actual resources can be finalized in the month of July? Cognizant has thousands of internal resources available matching skillset but need your inputs if there is an expectation to finalize these resources now and hold on bench till August 1.
