

DISTRICT-WIDE ONLINE EDUCATION COMMITTEE (DOEC)

Purpose of the Committee:

To support online student success, access and coordination for online educational needs throughout the district, including reviewing and exploring new services, software, and hardware.

Meets:

Every month. Location rotates between Saddleback College and Irvine Valley College.

Chair:

Vice Chancellor, Technology & Learning Services (1)

Members:

Vice Presidents of/for Instruction, one from each college (2)
Director, IT-Infrastructure/Security, District Services (1)
Deans, Online Education, one from each college (2)
Directors, Technology Services, one from each college (2)
Faculty representatives, two from each college (4)
Instructional Technologists, one from each college (2)

Reporting/Recommending Responsibilities:

Chancellor's Executive Council
Chancellor's Council
District-wide Technology Committee
College strategic planning committees
College online education committees
College technology committees

SharePoint Site:

<https://sharepoint.socccd.edu/chancellor/dwc/oec/default.aspx>

Decision-Making Process:

The committee uses consensus as the primary tool for making decisions and recommendations. In the rare event that consensus cannot be reached, the committee may utilize majority vote as a final determination in establishing recommendations to Chancellor's Executive Council, Chancellor's Council, District-wide Technology Committee, college strategic planning committees, and college online education and technology committees.

Communication Process:

SharePoint, two-way communication/feedback by committee representatives to college online education and technology committees and constituent groups.
