

## SPECIAL AND EMERGENCY MEETINGS

### Special Meetings:

Special meetings may be called, as needed, by the President of the Board or by a majority of the members of the Board. Notice of such meetings shall be posted at least 24 hours before the time of the meeting, and shall be noticed in accordance with the Brown Act. No business other than that included in the notice may be transacted or discussed.

Every notice for a special meeting shall provide an opportunity for members of the public to directly address the Board concerning any item that is described in the notice for the meeting before or during consideration of that item.

### Emergency Meetings:

Emergency meetings may be called by the President of the Board, or the Chancellor in their capacity as secretary to the Board, when prompt action is needed because of actual or threatened disruption of public facilities under such circumstances, as permitted by the Brown Act; including work stoppage, crippling disasters, and other activity that severely impairs public health and/or safety.

During an emergency meeting, the Board may meet in closed session when such a meeting is authorized by the Brown Act to discuss a dire emergency.

The Chancellor shall ensure that notice of such meetings is posted on the District website, provided to the local news media, and published as required by law.
