

COMMUNICATIONS AMONG BOARD MEMBERS

A majority of the members of the Board shall not, outside of a meeting, use a series of communications (e.g., personal intermediaries, e-mail, or other technological device) of any kind, directly or through intermediaries, to hear, discuss, deliberate, or take action on any item that is within the subject matter jurisdiction on the Board. In addition, no other person shall make serial communications to Board Members.

This policy shall not be construed as preventing an employee or official of the District from engaging in separate conversations or communications with members of the Board outside of a meeting. The purpose of this communication may be to answer questions or provide information regarding a matter that is within the subject matter jurisdiction of the Board, if that person does not communicate to members of the Board the comments or positions of any other member or members of the Board.
