

NONRESIDENT STUDENT TUITION

Nonresident students shall be charged nonresident tuition for all units enrolled, unless otherwise provided in law.

Not later than March 1 of each year, the Board shall take action to establish nonresident tuition fees for the following fiscal year. The fees shall be calculated in accordance with guidelines contained in applicable state regulations and with the Chancellor's Office memorandums to cover the District's expense of education.

The Board may also implement a capital outlay fee equal to the amount expended by the District for capital outlay in the preceding fiscal year divided by the total full-time equivalent students in the preceding fiscal year. This fee shall be charged only to persons who are both citizens and residents of foreign countries.

Students who would otherwise be charged the capital outlay fee shall be exempt if they demonstrate that they are a victim of persecution or discrimination in the country of which they are a citizen and resident, or if they demonstrate economic hardship.

Students shall be deemed victims of persecution or discrimination if they present evidence that they are citizens and residents of a foreign country and that they have been admitted to the United States under federal regulations permitting such persons to remain in the United States. Students shall be deemed to have demonstrated economic hardship if they present evidence that they are citizens and residents of a foreign country and that they are receiving Temporary Assistance for Needy Families Program, Supplemental Income/State Supplementary benefits, or general assistance.

The Chancellor shall establish regulations regarding collection, waiver, and refunds of nonresident tuition.
