

INSTITUTIONAL MEMBERSHIP IN ORGANIZATIONS

Institutional membership in local, state and national organizations, including the renewal of memberships and the payment of dues to selected organizations, must be approved by the Chancellor or designee.

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, gender, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because they are perceived to have one or more of the foregoing characteristics, or because of their association with a person or group with one or more of these actual or perceived characteristics.

The Chancellor will develop an administrative regulation for memberships.
