

DISPOSITION OF DISTRICT PROPERTY

The Board of Trustees shall authorize the disposal of surplus personal property, including, but not limited to supplies, materials, furniture and equipment, which are unusable, no longer required, obsolete or unsuitable for District purposes and authorize the Chancellor or designee to sell, auction, donate, recycle, or otherwise dispose such personal property of the District in conformance with the law and District procedures. The Chancellor or designee shall periodically submit to the Board of Trustees for approval all such surplus property prior to the disposition of District personal property.

This policy shall not be construed as authorizing any representative of the District to dispose of surplus real property at any time.
