

GIFTS, DONATIONS, AND BEQUESTS

The Board shall consider all gifts, donations, and bequests made to the District. The Board reserves the right to refuse to accept any gift that does not contribute toward the goals of the District, or the ownership of which would have the potential to deplete resources of the District.

The District shall assume no responsibility for appraising the value of gifts made to the District.

Acceptance of a gift shall not be considered endorsement by the District of a product, enterprise, or entity.

Under no circumstances shall the District knowingly accept a gift, donation, or bequest from any donor who engages in practices or policies that discriminate against any person on the basis of sex, age, gender, gender identity, gender expression, race or color, ethnic group identification, national origin, ancestry, religion, mental or physical disability, medical condition, genetic information, pregnancy, marital status, sexual orientation, immigration status, military or veteran status, or because an individual is perceived as having one or more of the above characteristics; or when the stated purpose of the gift, donation, or bequest is to facilitate such discrimination in providing an educational opportunity.
