BOARD POLICY 5120

SOUTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT

STUDENT SERVICES

TRANSFER CENTER

The District incorporates as part of its District-wide priorities the transfer of its students to baccalaureate level institutions. The District further recognizes that students who have historically been underrepresented in transfer to baccalaureate level institutions are a population for which special focus and support should be given.

Each college president in consultation with the college vice president for student services shall ensure that a transfer center plan is implemented that identifies appropriate target student populations, including students with disproportionate impact; is designed to increase the transfer applications of underrepresented students; and complies with laws and regulations.
